Our Sporting Schools program begins next week. A note will be sent home confirming the day and sport that students have been allocated to. All sessions are now full. Due to demand I have had to restrict participation to students in Years 2-4. A reminder that the sessions begin at 8.15am each day and students are asked to meet on the basketball court.

Our first Kincumber Learning Community Year 6-7 transition meeting was held at our school last week. A number of exciting initiatives have been planned for our students to assist in their transition to high school. The first of these is an open invitation to all parents of Years 5 & 6 students to attend an information session at Kincumber High School on Wednesday, 2nd March at 6.30pm. Information regarding this event is included in the newsletter. Later this term all Year 6 students will be invited to attend a sports day at the high school and next term there will be workshops for interested and talented Years 5 & 6 students in Science (including Agriculture), Dance & Music.

Regards

Ross Hallaways
Principal
